Sleeepover

My and I had a slumber party and we were left alone at home so we could eat all the
Noun Noun Noun Noun Noun and Noun in my dark basement, just the two
of us. After that i felt all stretched out so we watched and made with giant
boxes. 3 got into my and stoll my king size bed where we were each gong to
sleep. I was ashamed so we went back to playing in my pitch black and we fell
asleep and when i woke up at oclock my friend was doing the mocarena right above my eyes.
yelled "what are you doing" and we both fell asleep again the he went home.
