## Dragon

Once their was a who was very old. he wanted to be young again. He decided to get a knight as
a partner to find the of youth. There was one problem though knight didn't want
the youth he just wanted do slay the same animal Article young same animal is worth
more than an Adjective same animal because it will protect you longer when you enslave it. So the
two partners set off to find the of youth. Little did they know they where on a Adjective
quest. For the evil witch Jonas had set many traps on the way to the fountain. Nevertheless the fearsome two set
off on the quest for the legendary of youth.
