The dream

You wake up on an average _____ morning. You get out of bed and go downstairs to get some _____ . You realize that something is different. You look around and find a _____ , about _____ years old, wearing a _____ vest and poka dot glasses. _____ is eating a _____ . You then realize that your brother was replaced by this boy and you jump out of excitement. You pick up the phone to call your _____ but you realize that the phone is not a phone. It's _____ . You think that maybe you are in a dream so you decide to go back to sleep and wake up in an hour and everything would be better. When you wake up, there is a _____ standing in front of your door. _____ !
