Gary, Mary, and Chickenman/Harry

Once, on a beautiful cruise ship there was a man named Noun . Gary was a handsome fellow who was married well to a women named Mary. They had just been married and wanted to do something special for their honeymoon. Thats how they ended up on the ship. When they got to Article doc of the ship they were amazed. They found out that the ship was meant for adults but if a women was Adjective she would not be able to board Article ship. : - (Gary was so angry when he heard about this that he divorced Noun his pregnant wife. Gary boarded the ship without her but then Mary used Pronoun powers to jump onto the 100 feet tall ship to murder Gary. About nine months later Mary had a Adjective baby boy. He was named Harry and he was the first ever.... Chickenman. Mary was so so proud of her son she thought he could fly so she through him off a cliff. Sadly, Pronoun was not able to fly. You know what that means. ;p Mary was so upset that she killed herself with a toothbrush.
