# seneca nation health system

The Seneca nation health system had their annual staff retreat in Ellicotville. It was a Adjective day and very Adjective. The staff dressed Adjective and had on their Adjective faces. This retreat would be Adjective. The team would learn about the objectives of the SNHS while having Noun ! They would get to play with Noun - Plural and learn a little about their Noun - Plural. They listened to the CEO about improving patient care and how he appreciated all Noun - Plural. The lunch was delicious and Verb - Present Tense. The afternoon was a little low key and more Noun. We played some Noun games to get us off the Noun. We all laughed so much. We had a nice time and can't wait to get back to Verb to put our new Noun skills into action!
