# Mating Problems Part 1

"So, Humphrey, whats up?"; Gohan asked walking to his friend, Humphrey. "I have a problem, and I want you to help me get it off my chest."; Humphrey said looking at the Ground Shamefully. Gohan held his face up.

"Come on tell me."; Gohan said rubbing Humphrey's hair.

"I-uh... I have uhh... I have mating problems with girls..."; Humphrey spoke fast. Gohan blushed and giggled slightly.

"I can help with that."; Gohan said and grabbed Humphrey. He layed him on his back. Gohan licked his chest. Humphrey Groaned.

Gohan's wolfhood started growing out. He placed it at Humphrey's rectum.

"Tell me if it hurts,"; Gohan said. "otherwise, you can do me too."; Gohan said again.
