# Let Women Pray

Dear Famous Person, In 1978, the First Presidency made an official statement allowing women to Verb - Base Form in Sacrament Meeting. In the statement, Prophet said, "there is no scriptural prohibition against sisters Verb - Present ends in ING", and it is "permissible for sisters to Verb - Base Form in any meetings they attend." Since 1984, women have been Adverb asked to speak in General Conference. We applaud that change, and now ask for those words to be reconsidered and more broadly applied. In 2013, we hope to see a woman Verb - Base Form in General Conference. We appeal to the leadership of our Church to show their support for Noun - Plural by recognizing the ability and worthiness of LDS women to represent their church in prayer. In the history of the Church, Adjective members have presented ideas and Noun - Plural to Church leaders and asked them to pray about them. Without these Adjective members taking their concerns to their leaders, Organization, Activity and Noun - Plural wouldn't be in place. Similar to our Adjective ancestors, we are here with a real, heartfelt concern, and we pray that our church leaders will consider our plea. Please let women Verb - Base Form at the upcoming General Conference as a symbol of Value within our church. Sincerely, Your Name
