3. Verb - Present Tense

The Amazing Expereanse!

_____ threw the woods and they saw a bear. It got
closer and closer and than...it attacked one person and than the other. The two people survived,got out their first
aid kit,cured themselves,and kept on walking. Than they saw a treasure chest half way in the ground. They got
some shovels and dug it out. Than they opened it and there was a ton of gold! They were rich!
