Hope

I didn't know him for a long time before my decision of _____ Verb - Present ends in ING him. He's just sooooo
_____ Adjective. It's a good time to _____ Verb - Base Form at him for an hour in _____ Location. I don't have
any complaints for him. I've only actually _____ verb-ending in ED to him to his face specifically _____ Number,
_____ Conjunction I'm _____ Verb - Present ends in ING on it, you know? Don't judge, guys in general make me
nervous if I like them. I find a lot of _____ Noun - Plural _____ Adjective so luckily if one thing doesn't work
out I can try and get to know the next one, so I'll just gain another friend.

I just hope he is gonna be something worth remembering and hat's why I'm _____ Verb - Past Tense this extremely
slow, carefully picking what I say to him because I don't want him to think I'm some _____ Animal or
something. Haha, if not him then I just have to wait, but I hope at least he will be an important positive factor in
my life :).
