Hope

I didn't know him for a long time before my decision of							
Adjective	. It's a good time to	Verb - Base Form	_ at him for an hour i	nLocation	I don't have		
any complaints fo	or him. I've only actual	ly verb-ending in El	to him to his f	face specifically _	Number		
Conjunction	I'm Verb - Present en	ds in ING on it, y	ou know? Don't judg	ge, guys in genera	l make me		
nervous if I like t	hem. I find a lot of	Noun - Plural	Adjective so lu	ckily if one thing	doesn't work		
out I can try and get to know the next one, so I'll just gain another friend.							
I just hope he is gonna be something worth remembering and hat's why I'm this extremely							
slow, carefully picking what I say to him because I don't want him to think I'm some or							
something. Haha, if not him then I just have to wait, but I hope at least he will be an important positive factor in							
my life :).
