# Yu Yu Hakasho End Theme

When my Noun reaches Pronoun, please don't Verb - Base Form the seal

Just wait a little while Conjunction give it time to heal

And I belive you'll understand, just exactly how I feel

This is my last Conjunction my most Determiner request

With a Adjective innocence, our Noun - Plural began to race

With one thing on our Noun - Plural, we foolishly embraced

Now as Year closes in, I see you from a distant place

And I'll wish for Pronoun all the courage that you'll ever need..to be your best

And although it storms and its raining outside

All the Noun - Plural of the Location, still believe in the existence of the sun

Conjunction a forgotten melody Conjunction the Animal (plural) in our hands

A Event without Noun, is a Event without Noun, without fun.
