- 2. Verb Past Participle
- 3. Adjective
- 4. Adjective
- 5. <u>Noun Plural</u>

## Our cafeteria

Our cafeteria has <u>Adjective</u> food. I think that one of the meatballs had <u>Verb-Past Participle</u> to me. The spaghetti is <u>Adjective</u> and I think there was a piece of <u>Adjective</u> chicken in there. My dad made me homemade lunch and he gave me a sandwhich made out of <u>Noun-Plural</u>. I thought to myself I will just deal with the cafeteria food.
