ther wus a meen grop namd Group One hoo wus leded by Celebrity One. Celebrity One was a meany Gross Thing head who didnt lik the unitd stats uf amerka. so Group One pland a bad terist atack on the us. the plan wus to hijak a Vehicle One and driv it to the Noun One towurs which wer rely big. so they gotted a few pepels and they wer redy to do the atack. but befor the atack Celebrity One did a lot uf meen vidyos for the us and they wer threts. but President One ignord Celebrity One and he didnt beleve him. peepul mad fun of Group One and they calld them Adjective nams lik the words momy dosent let me use. but sumtims i use them wen momys not loking! dont tattle on me.

peepul wer on the Vehicle One Plural and the terrorists killd the pilits and they hijakd the Vehicle One.
peepul scremed and the hijakurs laffed. the Vehicle One crashed into won of the Noun One towurs.
peepul thot it wus un aksident. but it wasnt. the noos reportd it and peepul ran away. then anuther
Vehicle One crashd and mor peepul died. then thowsunds of peepuls died and peepul cryd and it was sad.
the terrorists also crashed a Vehicle One into a big Shape and anuther Vehicle One into the
