alien attack

Just as sci-fi fans have feared! An alien attack! The invaders are from Planet. They call themselves the Noun - Plural. The same plural noun and their magical allies (pretend creature, pretend creature, and super power animal plural) were first spotted in a flying Noun, over town, country with that town. They invaded same town, Verb - Past Tense the men, took the women as Noun - Plural, and burned down buildings.

The Mooks next stop is town, country with that town. People of the world beware! After that, it might be the small town of town.

In the meantime our Noun - Plural will fight hard to save Earth!
