# preposterous produce

In \_\_\_\_\_ the ProPro team invited a perch named Peat to \_\_\_\_\_ Kalamazoo. After \_\_\_\_\_ him around for a few days, Peat can now be seen in Facebook photos \_\_\_\_\_ around town drinking at different bars every night and \_\_\_\_\_ downtown \_\_\_\_\_, making \_\_\_\_\_ with the locals. Next week you can \_\_\_\_\_ him at the customer service training FISH!

In just two weeks, Rosie is planning on visiting the \_\_\_\_\_ of Minnesota to shadow an \_\_\_\_\_ Produce Manager for two days. She hopes to bring back lots of \_\_\_\_\_ ideas and \_\_\_\_\_ for changes to improve the produce department's margin and training systems. We hope to work towards having a Produce Lead in the \_\_\_\_\_ and a \_\_\_\_\_ strong margin, too!

Spring is coming and it's time for Rosie & the ProPro team to start talking with farmers! We will make farm visits, \_\_\_\_\_ through the past seasons and \_\_\_\_\_ that the future holds. These \_\_\_\_\_ will be fuel for the Farmer Compact that will \_\_\_\_\_ our customer service \_\_\_\_\_ to our producers and theirs back to us.

Don't forget to come to Grow It Yourself Day on April 27th where you can hear lot's of local \_\_\_\_\_ and pick up all the organic \_\_\_\_\_ starts you want and need for your \_\_\_\_\_ this summer.
