English 321

Once upon a time, in hallowed halls of _____ Proper Noun College, there was a class of _____ Noun - Plural. Oh sure, they attempted to pay attention to their _____ Adjective educator, but it was no use. They were _____ Adjective! They dozed off, wrote _____ Adjective text _____ Noun - Plural to their _____ Noun - Plural, and worst of all, they were all doing fantastically in the class! Something had to be done.

One _____ Adjective Wednesday night, their teacher silently approached their seemingly _____ Adjective bodies with a string of firecrackers at the ready. He lit one end and KABLAMO!!!! The students jumped _____ Adjective feet in the air and landed with _____ Adjective looks on their faces. He made his point. Later that evening the _____ Noun - Plural escorted their teacher out of the room for clearly violating campus safety laws, but I think we can all agree that it was so _____ Adjective
