# No Crushed Ice

There once was a Noun who's ice maker stopped making crushed ice. The refridgerator was only a Noun Adjective. "How could this be", thought the customer. In her Noun, she frantically begins to search for a Noun to call for help. First, she checks her Noun Noun with no luck. Next, she begins to look on the Noun itself, to no avail. Becoming more Adjective, she goes online to find a Noun finally. With an Adjective smile on her face, she proceeds to Verb to her Noun to call. The encouraging Noun begins to fade as she is Verb - Present Tense and Verb - Present Tense and holding for the next Noun. When someone finally says, "Thank you for calling", she begins to speak Adverb. After telling her story, the representative informs the customer that she is in the wrong Noun and starts to transfer her over to the right one. Meanwhile, the customer is starting to become very Adjective. It's not too long before another representative answers the phone. She Verb - 3rd Person Singular Present for being so upset and begins to tell her story yet again. The very Adjective and concerned representative begins to Verb her issue. The customer's Noun starts to show the Adjective smile that had faded to a an Adjective grimace. With upmost delight, the customer is so Adjective that she request to give this resrepresentative Noun - Plural for such a wonderful job. With in a few days, the customer is now enjoying her Adjective ice with a smile.
