The Best Teacher on the Planet

I am so lucky to be in Mrs. Saner's R	EAD 180 class this sc	hool year. She is the best	Noun on the
! She likes to tell	Noun and tease	, but it is all in f	fun. I know she likes me
best of all because she is always	Verb - Present ends in ING	at me. Mrs. Saner loves	Noun and on
really good days she shares it with m	e. She is myAdject	teacher because she	never assigns homework
. I wish all my other teachers were	Adjective like he	er.
