Office Cubicles

The cubicle desk is an often mocked piece of office furniture in large part because of the expectations it invokes but rarely fulfills. An array of cubicle desks gives more peace and _____Plural noun_____to its users than if they were all _____Verb ending in ing_____in an open office with no partitions, as is the case with many newsrooms and some other kinds of _____Plural noun_____. However, promoters of cubicle desks often present them as _____Adjective_____ ingredients which can make noise levels and other distractions fall to zero in any office after their installation.

More recent academic studies have noted the disadvantages that the cubicle desk has brought to American corporate culture. While effectively reducing the amount of _____Plural noun_____and _____Plural noun_____in the office environment, the cubicle has also produced a negative effect in the reduced amount of person-to-person _____Verb ending in ing_____among office workers. Productivity declines due to _____Adjective_____Plural noun_____ have become a recent concern in new office designs.
