# ISAT madness

When I \_\_\_\_\_ Verb - Non 3rd Person Singular Present \_\_\_\_\_ into the \_\_\_\_\_ Noun \_\_\_\_\_, and sit down, my \_\_\_\_\_ Noun \_\_\_\_\_ starts to \_\_\_\_\_ Verb \_\_\_\_\_. I see that bin, filled with \_\_\_\_\_ Adjective \_\_\_\_\_ Noun - Plural \_\_\_\_\_, the smell of number 2 pencils fills the air, and all I can think is "this is how I am going to spend the next two hours of my life?"
