# camp

Hello friends,

It's been a long time since I have \_\_\_\_\_ Adjective \_\_\_\_\_ to you, since I am away at this \_\_\_\_\_ Adjective \_\_\_\_\_ camp. It's been raining constantly so there hasn't been much to do. Everyone is stuck inside and all we can do are these \_\_\_\_\_ Adjective \_\_\_\_\_ activities. And, the worst part of it is that the camp counselors want to dictate everything we do - You are doing it wrong, it needs to be this way... just follow the plano... meh.

Anyways, as bad as it sounds
