fire

I was just sleeping in my bed, when suddenly I smelled smoke, it was coming from downstairs, and I thought to myself, what smells like burnt _____Noun_____. Then, I went down the stairs to see what had happened, as soon as i came down i was rushed with the smell of burning _____Noun_____, and as i looked to see towards the site of the smell, i saw a fire bursting out of the _____Noun_____, and _____Adjective_____ stove. I had to think fast, what could put out a fire, then it hit me like a _____Adjective_____ _____Noun_____, I had to use water, so as i went to get water, the fire started growing. When, i had enough water i tried to put out the fire, but i had forgotten that grease fires are expanded exponentially by water, by the time i realized that, it was too late. I had passed out due to the _____Adjective_____ explosion that had knocked everything back, _____Adjective_____ i wasn't hit by any debris that fell near me, but i did wake up, and how the fire spread. I realized that i should just focus on getting out of the house, so i _____Verb - Past Tense_____ through a small opening that was burnt by a fragment of the ever growing fire, eager to get back on my feet. After, I had gotten out I called _____Number_____, they told me to wait, and that the units have been _____Verb - Past Participle_____, but it will still be a while until they would get there, yet in a blink of an eye they were there putting out the fire that fought back. Then I thought how weird it was that I had not a scratch on me, and how my parents seemed to be gone or not in the house, I also thought how weird the moon looked, because it was too _____Adjective_____, and too _____Adjective_____ for it to be natural. That was when I woke up, aah! I yelled as a leaped out of my bed due to the dream, and how it had simulated a real _____Adjective_____ situation.
