# The Baby Who Almost Destroyed the World

a baby _____Verb - Past Tense_____ into a _____Noun_____ and farted _____Noun_____ and destroyed the whole world with the methane gas from eating one _____Noun_____ of _____Adjective_____ bananas. Her _____Adjective_____ cried _____Adverb_____ as the world _____Verb - Past Tense_____ around him. He cried all of his tears into a bucket of dead fish that he had caught on the lake that morning and as his tears filled the bucket the small fish began to wiggle and grow larger and larger. As the tears continued to pour the fish continued to grow and then just as the fish grew large enough, the uncle grabbed onto the dorsal fin of the bright blue fish and rode off into the gloomy apocalypse sky straight into the sun. As he and the fish were both blinded by the sun's filthy light the diverted from their course and managed to plug the giant hole in the ozone layer caused by the baby's careless gassy discharge. The man and his fish stayed stuck in the large hole in the ozone like a seagull in a 6 pack ringer. Accidental martyrs, the man and the fish were memorialized forever in statue placed high atop mt. cooper.
