Creation Of Pi

There is a controversy on who discovered pi. Some say it was the Babylonians, others say no one knows who discovered it. But the thing is, I discovered pi! It all happened a few _____type of time_____ ago. I was in a _____Noun_____, doing _____Adjective_____ problems. When all of sudden, "_____Exclaimation_____!" I came across these _____Adjective_____ numbers. They seemed to go on and on. So i named this number Pi! Because everyone knows that pie tastes _____Adjective_____! But I took off the e, just so it would be _____Adjective_____. And they all lived _____Adverb_____ ever after!
