Who REALLY discovered pi

Even though people say no one knows who discovered pi, I know who did. It was obviously me, The _____Adjective_____ Lindsay Rose. When I was born, everybody thought I had a _____Adjective_____ head, in the end, it turned out because I was so _____Adjective_____. One day when I was _____Verb - Present Tense_____ T.V., a bunch of numbers popped into my _____Noun_____! Then later on, I _____Verb - Past Tense_____ those bunch of numbers pi and decided to remain anonymous. I kept repeating the numbers to my _____Noun_____ so I remembered them. Then I went on the internet and put the numbers on a _____Noun_____, then, it went viral, and _____Noun_____ was trying to figure out who discovered the _____Adjective_____ pie.
