Who REALLY discovered pi

Even though people say no one knows who discovered pi, I know who did. It was obviously me, The

_____ Adjective Lindsay Rose. When I was born, everybody thought I had a _____ Adjective head, in the end,

it turned out because I was so _____ Adjective. One day when I was _____ Verb - Present Tense T.V., a bunch of

numbers popped into my _____ Noun! Then later on, I _____ Verb - Past Tense those bunch of numbers pi and

decided to remain anonymous. I kept repeating the numbers to my _____ Noun so I remembered them. Then I

went on the internet and put the numbers on a _____ Noun, then, it went viral, and _____ Noun was trying

to figure out who discovered the _____ Adjective pie.
