I Discovered Pi

Some Noun - Plural say that some Adjective guy discovered pi. But the real truth is, I discovered pi . I actually discovered pi while Verb - Present Tense a Noun of Noun. The Noun of Noun helped me figure out that the diameter is half of the circle. The formula for around the circle is pi (3.14) multiplied by the diameter. To find the ratio, you divide the measurement around the circle by the diameter. After I finished the formula, and the Noun, I went to Verb in my Noun.
