# Love and all it's glory

When James and Trish met they knew right away it was Noun. At first they didn't want to Verb it but soon they became Adjective. Long weekends and quick weeknight Noun - Plural gave way to a budding Noun. Soon they introduced their Noun - Plural to each other and made it a family Noun. Trips to the fair, the Noun - Plural and a few arts & crafts sessions were only enhanced by Noun - Plural and cookie Verb - Present Tense. They are all so Adjective to be becoming a Noun and are so happy you are here today!
