# My Crazy Dream

I Verb - Past Tense the craziest dream. In my dream I had just waken Preposition or subordinating conjunction. I opened my eyes to see Famous person run ning around my room. And then, Friend came in with a big TV and started hitting Same famous person with it. I Adverb crawled out of the room to avoid the melee. I started walking down the hall for a phone to call 911. But, I was stopped in my tracks by Barney the Adjective dragon. I tried to get away from him, but Barney must have been working out and was able to Verb me. I soon learned he was a Noun because he tied me up in a chair and made me listen to his greatest hits. This was the ultimate torture. But Same friend came in with her TV just as crazy and started jumping on Barney and Verb - Past Tense him. She looked at me and started running toward me. Right as she was about to Verb me with the TV, I woke up.
