Lunch Time and Recess!

It is almost time for <u>Noun</u> . Thank goodness! I am very hungry. I brought a <u>Noun</u> with
Noun , ham, and tomatoes on it. I even have Noun - Plural on the side! I can't wait to
on it. I think today I will sit next to Charlie at lunch. Charlie usually eats chicken nuggets and
chocolate milk. After lunch I think we will play in the gym because it is chilly outside. I want to play chase
because it is my favorite. I am always the champion because no one ever catches me. My teacher has lunch duty
today so she will be watching us play chase.
