laying in bed with your bf

As you start to get tired you turn over in your, next thing you know your boyfriend is rapping his
Part of Body around you. You think how Adjective is that until his Part of Body start
right about now. He asks "Does that feel?" You being nervous doesn't know how to reply, he
asks again. You say "yeah, never felt this before". He says "good". Next he moves his hands
near your Part of Body, now your getting nervous. You Verb - Base Form him why his hand is close
to your? He replies "I want to play verb - Base Form it, I want you to get off". You are
very surprised with what he says. He then verb - Present ends in S you to make sounds and moan if it feels
good. You say "okay, I'll try myAdjective - Ends in EST" His fingers start massaging yourPart of
Body then he puts one finger Location of and then two fingers and then he starts talking
to you. He then starts to verb - Base Form your part of Body as he says you like
thatperson in family ex: sister You start moaning and making Adjective noises. It feels so good you say
. To be continued
