Jeffery The Flea

Hi my name is _____^{Noun}_____. I am a _____^{Adjective}_____ who lives on Stinky the _____^{Noun}_____. I bite him constantly and he scratches me and he gets _____^{Adjective}_____ and bites again. I would suck his blood and Stinky would be upset until Cameron came and scratched him and protected him from Bailey the dog who I also bite. The _____^{Noun}_____ scratches and he makes me fly off and then he sits still so I can get back on easily.

I get to go on marvelous adventures where ever Stinky goes. Like one time I almost fell off him while we were _____^{Verb - Base Form}_____ a huge tree. We have _____^{Verb - Base Form}_____ _____^{Verb - Base Form}_____ away from Bailey.

We have had some close calls with some birds that pecked at us. Stink likes to _____^{Verb - Base Form}_____ birds because he likes their delicious meat. He is a exquisite hunter.

Stinky jumps on almost anything and then he just sits there so he is a good biting target. On the other hand Bailey will lay down but if someone walks in she bolts after them. So if I want her blood I gotta do it before someone gets in the room. But when she is calm she is an easy target. It has its ups and downs being a flea.
