Out of the office

Now, many of you will undoubtedly tease me for this, but I need to
today.
For those of you who are keeping track, today I will drive an inconvenient distance from my home to
with the with the verb - Base Form my Noun by the noun Then, I will run the with the
as well. Depending on the timing, I may need to drive an inconvenient distance a second time fo
an I am enthusiastically excited about all of this driving.
Instead of trying to come in "a little late" which would be closer to 10, and then leaving "a little early" which would be closer to 3, I'm just going to call the entire day a wash and take it off.
I will also ideally be stopping by the proper Noun - Plural to make a final decision between the
Proper Noun - Plural and Proper Noun - Plural . Heck, I may even make a day out of it and look at some
boxes of Proper Noun - Plural Woohoo!
