Dear Proper Noun

Today was my first day at the zoo. My favorite animal we saw were the Noun. But the Noun were so Noun too! Then we got to witness the zookeepers feed the Adjective lions! It was so Verb - Base Form. But all that walking made us Verb - Past Tense so we got something to eat. I got a Noun but the family behind us got Ice cream! It was such a/an Verb - Base Form day! I wanted my Proper Noun to come with us but Proper Noun said that they couldn't. Did you ever go to the Proper Noun? You should its so Verb - Base Form!
