# the disgusting hanna montana

once a Adjective maniac person, just Past tense verb out of his Place and said, "; i know this guy who knows this guy who knows this guy who knows this guy who knows this guy who knows this guy who knows the DISGUSTING HANNAH MONTANA!";

then a Adjective girl said, "she's not disgusting at all! you are just Bad adjective she's NOT Bad adjective ;

"yes she is!"; said the First adjective man.

then again the little girl said"; she's not disgusting. she's a disgusting maniac!";

then everybody had a party called, the "i hate hannah montana party!";

the end!
