Sam and Sydney

The other Adjective part is all of the noise! The Verb - Present ends in ING and complaints.

name argues about the Adjective animal in his Noun, and name complains about school. name complains about life and the economy, something like that, I don't really know. name just Verb - Present ends in S and Verb - Present ends in S pranks on his kids, and name just Verb - Present ends in S at name. That is all you hear like literally. Imagine having to live in a house with all of the arguments.
