Music Therapy

One day, Sally was feeling Adjective. She felt Noun that she could not go outside and play with her Noun, and she had to stay in bed all day to feel better. Sally watched TV for a long time, until she could not find anything else she wanted to watch. That's when she heard it! She heard a Adjective noise, like beads being shaken in a bag. Sally Verb - Past Tense into her kitchen to see all these musicians standing there, playing with noise makers! There were Noun, Noun and Noun who played Noun. They showed Sally how to make a Noun Noun, and they all spent the day Verb - Past Tense inside with Sally while she got better.
