Once upon a time, there was a Adjective Viking named Igora. She had the most Adjective Noun in Lake Stevens High School. You could find Igora Verb - Present ends in ING Noun with the other Viking Proper Noun - Plural. Igora was very Adjective, she loved Noun and being different from the others. One day the Noun, Borg the Troll, took Igora's Noun. With her Adjective perspective Igora was able to Verb - Base Form Borg and Verb - Base Form her ball. She continued to Verb - Base Form wiffleball throughout her time at the Adjective LSHS. The end.
