When the Sparks started!

Justin and I had lived at the same apartment complex for atleast a year before meeting. We saw each other plenty of times while _____ Noun _____ Noun _____, or _____ Noun _____ Noun _____, but had never made any _____ Noun - Plural _____.

In March of 2011 I decided to switch from Gold's Gym in Downtown Pittsburgh to LA Fitness in Robinson because it was close to home and I needed a change. Within the first week of my membership, I was introduced to Justin by a mutual _____ Proper Noun _____. :)

Conversation continued the second time we saw each other because of my upcoming move into a new apartment suite. Justin offered to help _____ Verb _____ all of my heavy _____ Noun _____; however, he needed a way to get in touch with me in order to coordinate everything. Neither of us had our _____ Noun - Plural _____, so I offered to leave a business card on his car. I was given specific directions to look for the Black Honda Accord that backed into the parking spot closest to the apartment complex entrance. I felt like such a _____ Noun - Plural _____ having to look for his _____ Noun _____, and felt that it would be best to wait for the _____ Noun _____ because it is still dark when I leave for _____ Noun _____.

A few days later (partially delayed due to a case of the flu) I was able to put my card on his driver-side _____ Noun _____. I received an email from Justin early that afternoon asking me if I would like to go on a _____ Noun _____ and we haven't left each other's _____ Noun _____ since!
