Cool Architecture

This _____Adjective_____ project that I have made is basically a _____Noun_____ that has been torn apart _____Noun_____ by _____Noun_____ and plotted around a predetermined area to the East of Cadillac Ranch. The site _____Noun_____ was made by this _____Adjective_____ foam board. This _____Noun_____ signifies the _____Adjective_____ journey across the Route 66 road. The landscape changes from _____Adjective_____ _____color_____ grass found up North, to a _____climate_____ like environment found in Southern California. The elevations show the _____Adjective_____ features of my house from the _____Verb - Present ends in S_____ in wall sizes, to full wall windows, to even a _____number_____ story! The entire house is a _____Verb - Present ends in ING_____ 140 feet from the front garage to the back living space. It is _____Adverb_____ in line with the Cadillac's as to signify them _____Adjective_____ as one. Each room was _____Verb - Past Tense_____ individually and has specific purposes. Going from one end of this house to the other will be quite the journey.
