Cool Architecture

ThisAdjective	project that I have made	e is basically a	Noun	hat has been torn	apart
by	and plotted a	around a predeterm	nined area to	the East of Cadill	ac Ranch. The site
was ma	ade by thisAdjective	foam board.	Γhis <u>Nou</u>	signifies th	ne
jour	ney across the Route 66	road. The landsca	pe changes fi	rom <u>Adjective</u>	
grass fo	ound up North, to a	climate like er	nvironment fo	ound in Southern	California. The
elevations show the _	Adjective features	of my house from	the <u>Verl</u>	o - Present ends in S	_ in wall sizes, to
full wall windows, to	even as	story! The entire h	ouse is a	Verb - Present ends in IN	140 feet
from the front garage	to the back living space.	It isAdverb	in line wi	th the Cadillac's a	as to signify them
Adjective as O	ne. Each room was	Verb - Past Tense	individually	and has specific p	ourposes. Going
from one end of this h	ouse to the other will be	quite the journey.
