# Mind Blown

Last night I went to Mark Toland's show. It was the \_\_\_\_\_ thing I've ever seen. He was  
\_\_\_\_\_ and absolutely \_\_\_\_\_. My favorite part was when he picked a \_\_\_\_\_ from  
the audience and shot at them with a \_\_\_\_\_ gun. When he \_\_\_\_\_ barefoot on  
\_\_\_\_\_ the entire audience cringed. Mark's show isn't \_\_\_\_\_ like those other magicians you  
may have seen. It's \_\_\_\_\_ and \_\_\_\_\_, and he knows how to \_\_\_\_\_ with an audience.  
The best way to describe the show is that I was mind blown!
