Kittens

There was a wild kitten named _____First Name of a Person_____. She is a beautiful calico and she lived in this little village named Rockstone.

Every cat had their own job some where _____Job Type_____, _____Job Type_____, _____Job Type_____, _____Job Type_____ , and few of the royal family. _____First Name of a Person_____ was a child learning to become a _____Job Type_____ she practice daily. One day there was a sound in the forest that was not far from their home the Royal families where lead to safety by most the _____Job Type_____. The _____Job Type_____ that was left behind stay to protect the young ones and _____Job Type_____. The _____Job Type_____ took few of the young ones with at least 2 _____Job Type_____ each to different locations. Soon only the _____Job Type_____ and _____First Name of a Person_____ who stray away from the others was still at the village. It was a pirate gang of cats their Handsome Leader was named Donny. "Well well wheres the treasures of this here place." Said Donny. "You will have to kill us first if you want anything from us." Said a brave _____Job Type_____. Donny pulled out a sword at the _____Job Type_____ and said. "Whats you name lad." The _____Job Type_____ just stood there brave and said. "Its Charles." As Donny pulled back his sword to kill Charles he says. "Any last words." And at that moment _____First Name of a Person_____ shouted "NOOO FATHER" Charles quickly said. "GET OUT OF HERE DAUGHTER NOW." _____First Name of a Person_____ just sat there crying and then shouted. "I wont leave you to die father." Donny laugh and put his sword down saying in a light chuckling voice. "I'll let you live this time but in return we will take your daughter." at that point he grabbed _____First Name of a Person_____ and vanished into thin air only a voice was left behind of his daughter saying I love you father. The father fell to his knees not knowing what he could do. While _____First Name of a Person_____ was

back at the Pirates cave she hears Donny coming down the hall. "Alright get up lass what your name." She tries to fight back her tears and act brave as she says. "It is _____First Name of a Person_____." Donny could tell _____First Name of a Person_____ was scared and trying to be brave he took her by the paw and gentle pulled her outside into the fresh air all you could see was a beach and beautiful ocean for miles. "Wow this is beautiful." Said _____First Name of a Person_____. As Donny looked down at her he notice that she was a little to close to edge and pulls her back as he did he felt something he never felt in a long time and that was love for another person. He took both of _____First Name of a Person_____ paws and looked into her eyes asking her a question the best he could. "I know we havent known each other long and our meeting today may of been off but if you would forget the pass then will you become my bride." _____First Name of a Person_____ didnt know what to think was he serious? She nodded a yes and he hugged her tight. At the village her father was ready to storm out to look for his child but then he heard the noises in the trees once again it was the Pirates but this time different meeting. There he say hand in hand his daughter with that pirate. "LET GO OF MY DAUGHTER." As he jump forward to attack Donny _____First Name of a Person_____ jump in front and her father quickly fell to his knees. "Move outta the way daughter." He said in anger. "He is my husband now and I _____feeling_____ him father and if you cant accept that then you cant accept me." she replied. Her father looked away from her at Donny then back at her. "If you are happy then fine but if he hurts you he is a dead man." Her father turns away and adds a quick. "And bring my grandkids over to see me sometimes." She smiled _____feeling_____ to know her father approved and walked away with her new husband Donny.
