# Somewhere in Boston

Our story takes place in the far-flung decade of the \_\_\_\_\_ DECade \_\_\_\_\_ in a city forgotten by the rest of the planet.

Disgusted with civilization, a lone visionary collected followers and established a new world founded on the

principle of \_\_\_\_\_ Sociological Principle \_\_\_\_\_, sequestered away from the foolish masses in \_\_\_\_\_ Unusual \_\_\_\_\_

\_\_\_\_\_ Location \_\_\_\_\_. Superhuman powers are common, granted by \_\_\_\_\_ Way You Can Take Medicine \_\_\_\_\_, but not all is as

it seems. What was supposed to be a self-contained paradise has failed, and now an opposing faction wreaks

regular havoc in its underbelly. Enter our protagonist, a patsy to \_\_\_\_\_ Determinant Manifestation of Fate \_\_\_\_\_ who

makes his fated trip to the city and up-ends the whole shebang, the ramifications of which none of the involved

parties could predict.
