The Great Ocarina Adventure

She thinks you forgot. You were never great at remembering dates but you've been planning this night for awhile . It's your _____Number_____ year anniversary. You remembered everything. Dinner at her favorite restaurant, the one with the name like _____Adjective_____ or _____Adjective_____. The kind of place where they dont have _____Noun - Plural_____ on the menus, and usually your hands are _____Verb - Present Tense_____, busy under the table wringing each other so hard you think they'll break, or worse, she'll notice. "Relaaax. Why do you get so worked up over this _____Swear_____. You've been dating her a year. If she laughs at you, she laughs at you. You laugh at each other all the time." More wringing.

A _____Size_____ tip. You leave the restaurant thinking "I should leave a _____Adjective_____ review on Yelp, or something. That was _____Adjective_____." But you never do. "People who do that are kind of weird. Leaving reviews on everything. Have I ever gone somewhere because I read about someone else having a great time there ? I think I only check those things to read bad reviews. Is that weird? I'm the _____Swear-_____ breed of vulture. I grew hands instead of wings."

"Try to resist the urge to check your _____Noun_____, you idiot. You know she hates that. Especially when you're driving."

Door open, keys on the _____Furniture_____, _____Personal Belonging_____ on the table, _____Noun_____ off. "I think this is a ritual for me. I think I've done the same thing every day since we moved in here. Maybe I should switch which back pocket my _____Personal Belonging_____ goes in. Would that _____Swear_____ everything up? Would I enter some weird

Twilight Zone because of some butterfly effect I did?"

"You want to see something cool?" "I guess." "Check it out." You open the box and remove the _____Material_____ cloth from inside. "What is that? It looks like a little _____Instrument_____." "Yeah, it's the _____Instrument_____ from _____Video Game_____. But did you know it can also play Pop, Classical, Rock and Flamenco?"

You spin toward the entertainment center, a little curbside special, but hey- it's held up pretty well. You tap play on the cd player mid-spin. Smooth, like the _____Adjective_____ finish of your _____Instrument_____, which you bring to your lips as you turn back to face her. "Nice spin. Are you going to play that or-" "Yeah, I'm going to play it." You inhale and hope you've timed this correctly.

_____Video Game Character_____ _____Song Form_____ starts coming out of your stereo. It's good as hell, it's from a video game. She is fairly impressed that you know it. She moves to the _____Furniture_____, her _____Body Part_____ bouncing off of every note. "This is so good. I love it. I love video games, also. They're great." She pours a glass of _____Drink_____, a gift from her _____Noun-Person_____ as a thank-you for completion of a big project. Working in _____Career_____ is stressful, but it has its perks. "Grab yourself a sugar cookie in the shape of an ocarina-er a _____Instrument_____. Grab one of those _____Instrument_____ cookies."

She's back on the couch with a mouthful of _____Drink_____. You're just about to start the second track, _____Video Game_____ 2: _____Video Game Character_____ Revenge, when there's a knock at the door..
