# SHOT DAY OH HA HA

Three days ago I was 20 and now I'm 21. Today's the day I get my \_\_\_\_\_ Noun \_\_\_\_\_, \_\_\_\_\_ Verb my family and friends and regret nothing. I've popped my Ritalin and brushed my \_\_\_\_\_ Noun - Plural \_\_\_\_\_, now it's time to shower. I'm \_\_\_\_\_ Noun \_\_\_\_\_ than ever but I don't know why? I'm just going to get \_\_\_\_\_ Noun \_\_\_\_\_ in five. four. three. two. one. At 1pm the festivities begin. I'll be throwing back \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and pounding down very little \_\_\_\_\_ Noun \_\_\_\_\_. I'll lose my \_\_\_\_\_ Noun \_\_\_\_\_ and beg for water. My friends will watch and laugh but my mom will hide her \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and be \_\_\_\_\_ Verb - Past Participle \_\_\_\_\_. No one understands how much \_\_\_\_\_ Noun \_\_\_\_\_ I'm having, but at this point I just really want some \_\_\_\_\_ Noun \_\_\_\_\_. I've taken a water break and I'm back for more, but don't worry I'll be funnier than before. The nights only just begun as we're heading to \_\_\_\_\_ Noun \_\_\_\_\_, it's 6:30 and I'm zero pounds \_\_\_\_\_ Adjective - Comparative \_\_\_\_\_. I've been drinking my calories so I can't dare eat dinner, just hand me a shot and I'll be better than ever. Two shots too many and I'll be on the \_\_\_\_\_ Noun \_\_\_\_\_ so I hope I can make it to the end of shot 21 or this night's worse than anything else. Shot 21 has finally come and I'm \_\_\_\_\_ Noun \_\_\_\_\_ in hopes for more. I'm invincible and I feel \_\_\_\_\_ Adjective \_\_\_\_\_, I'll never \_\_\_\_\_ Verb - Base Form \_\_\_\_\_, no way. Time to hit the \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and I just can't wait, I'm ready to show off my \_\_\_\_\_ Adjective \_\_\_\_\_. Tonight's become one I'll never remember but never \_\_\_\_\_ Verb \_\_\_\_\_. I've had so much fun all over town, there's a \_\_\_\_\_ Noun \_\_\_\_\_ leading to my home.
