Sydney's exchange student

Sydney walked into the _____room at a school_____ and looked for her _____Noun - Plural_____. Piper called out her name and waved her over. She _____Verb - Past Tense_____ into a seat next to Molly. "Hey _____Noun_____, you are never going to believe the news I have!" she exclaimed. "Well, tell us!" they all _____Verb - Past Tense_____ at the same time. "We have an _____Noun_____ student coming to the school tomorrow. She will be here for _____Number_____ months!" she said waving her arms in the air "her name is _____girls name_____ and she is from _____country_____." They all talked excitedly about having a new friend and wondered what she would be like. They decided that since she was from _____country_____ she must be super _____Adjective_____ and fashionable. Molly assured them that all _____Adjective_____ people are.

The next Monday morning the girls were _____Verb - Present ends in ING_____ in the hall buzzing with excitement . Sydney was supposed to be meeting _____girls name_____ out front of the school and showing her around this morning. Sydney opened the door and pointed down the hall and Bridgitte _____Verb - Past Tense_____ in the door. She had on a yellow _____item of clothing_____ with with bright orange _____Noun_____ all over it. Her _____Adjective_____ skirt clashed with her _____color_____ polka dotted boots. They walked up to the girls and Sydney smiled "Hi _____Noun - Plural_____, this is Bridgitte." She smiled and waved at each of them and said " Bonjour." As they were walking down the hall behind Bridgitte and Sydney, Molly leaned over to Piper and said "well, so much for the fashionista huh? Where does someone even find a _____item of clothing_____ like that?" Piper shushed her and Molly threw up her hand "oh, she doesn't speak English, she doesn't know what I am saying. The girls continued discussing _____girls name_____ outfit and Piper said "How about that _____item of clothing_____? I'm

guessing she has to be color blind." "I know, and the _____item of clothing_____? Oh my, I don't even think they sell those in the United States." Sydney heard her friends and felt bad for _____girls name_____. She did kind of stick out like a sore _____Part of Body_____. She was thankful that she couldn't understand what the girls were saying. Lunchtime rolled around and the girls motioned for Bridgitte to _____verb_____ with them. She _____Verb - Past Tense_____ over to the table with her tray in hand and Piper pointed to the seat and was trying to figure out how to say "sit with us" in _____language_____. _____girls name_____ smiled and in perfect English said "No thanks. I'll _____verb_____ over there with my friends. They actually like my _____item of clothing_____ that my _____family member_____ knit for me for good luck here in the states and thought the story of how my luggage was mixed up with someone else's was funny. This is all I had to _____verb_____ today, but they didn't seem to mind." She turned and _____verb_____ away and sat with her new _____Noun - Plural_____. The girls sat there with their mouths wide open feeling _____feeling_____. "Well, I guess she speaks a little English after all" said Molly.
