Total embarrassment...

So me and Yasi went to meet Conor at Restaurant. I ordered Food, Yasi ordered Food and Conor ordered the biggest type dish ever, Food! So time went on and i swear there was something in my First food that made me gag. I suddenly felt so sick i projectile vomited all over Conor, spraying Food and Food everywhere. Yasi was so embarrassed she slapped me and called me a Mean name. She Movement off with Conor and i was left sitting there looking like a total Mean name.
