# An Awkward Goodbye

So, there we were. It was time to say goodbye and Zarina was sitting in the \_\_\_\_\_ Vehicle waiting to pick us up. I got in the \_\_\_\_\_ Same Vehicle and wound down the window. Farah went to hug Lewis but he suddenly dropped his \_\_\_\_\_ Plural Body Part. Farah tried to pick them up but they were everywhere and were leaking \_\_\_\_\_ Liquid. It made a puddle and smelt of \_\_\_\_\_ Grim Adjective \_\_\_\_\_ Body Fluid. Zarina was fed up so I got out of the \_\_\_\_\_ Same Vehicle and she left. Lewis was \_\_\_\_\_ Emotion by this point and Farah was \_\_\_\_\_ Emotion. I found a \_\_\_\_\_ Noun and tried to clean up the mess. It didn't work and a crowd of \_\_\_\_\_ Plural Animal gathered around us, it was so embarrassing. A man from the cinema came out and dropped popcorn everywhere trying to soak up the liquid. Nothing was working so Lewis started \_\_\_\_\_ Mouth Verb off the floor. Farah felt sick so \_\_\_\_\_ Past Tense Verb away and left me with Lewis. He smelt of \_\_\_\_\_ Food and his hands were covered in \_\_\_\_\_ Same Liquid. I fainted and none of us have spoken since. Bare awks.
