# That's not kind.

Today I woke up and \_\_\_\_\_ Type of food downstairs for breakfast. I knew it was going to be a \_\_\_\_\_ Type of \_\_\_\_\_ food day, mom made \_\_\_\_\_ Type of food. It's my favorite thing to eat with milk! Except that today there was only a little bit of milk left! My sister asked me if she could have it and I said, "no way!" On the bus to school I saw a kid sitting all by himself. He had \_\_\_\_\_ A color hair and was wearing \_\_\_\_\_ A color boots. I didn't want to be his friend after seeing that. I sat with \_\_\_\_\_ Name of friend instead. All day long my teacher made us do a bunch of arts and crafts. She also had us read. I read the book \_\_\_\_\_ Any book title. There was a girl in my class who asked if we could read it together. I told her to get her own! At snack time our teacher gave us \_\_\_\_\_ Type of food. I hate \_\_\_\_\_ Type of food. So I threw my snack across the room and started a food fight. My teacher wasn't too happy about that. She called my mom and my mom said, " \_\_\_\_\_ Something your mom says ." She always says that when she's upset with me. She sent me straight to my room when we got home and said I was grounded for \_\_\_\_\_ Any number years. I wonder if my day would have been different if I chose to show kindness... I'll try that tomorrow!
